November 2023

The "Old Man's Crew" performed another fantastic job keeping the Confederate Section at Magnolia Cemetery the best-looking area of the entire cemetery. Those who participated on October 3rd were Cemetery Crew Captain Tom McCauley, Gary Hattaway, Mike Milford, Paul Stampley, Craig Williams, and I.

On October 24th, the "Old Man's Crew" did another great job. Those who participated were Carl Mixon, Dr. John Baxley, Gary Hattaway, Mike Milford, Paul Stampley, Dr. Ed Johnson, Cemetery Crew Captain, Tom McCauley, and I. Gary Hattaway generously supplied and installed a new Confederate flag to replace the tattered and faded one that was flying next to the fountain, thank you, Gary!

At our last meeting on October 12th, we had eighteen members and guests, who heard Cheryl Oliver, give a very informative talk about the C.S.S. Hunley, the worlds first submarine to sink an enemy ship, the USS Housatonic, in Charleston harbor. Unfortunately, the Hunley went down with the Housatonic with all hands aboard. The bravery of those submariners is unbelievable.

Our next meeting will be on Thursday November 9th at Sconyers BBQ at 7:00PM. Our speaker will be Dr. John Baxley, who I am told will speak about Abraham Lincoln.

Thanks everyone for your hard work, help and participation.

Respectfully,

J.J. Brittingham, Commander
